

# LIFE'S TOO SHORT NOT TO BE A WEIRDO.

*Oh, I am a bit of a weirdo, said Maud  
proudly, But I am also a Maud.  
And instead of spikes, I have judo.*

*Well, it's the spikes that make us hedgehogs the kings of the forest,  
said the hedgehog. I mean, after the badgers. And the foxes.  
And maybe the owls. We're definitely in the top four.*

Let's colour in!
